

ANNUAL REPORT

Our highly esteemed Chief Guest for the Day Er. Akhilesh Singh, Chief General Manager, Anpara Thermal Project, Guests of honour Mrs. Kusum Singh, President, Jyotirpunj Mahila Mandal, Er. R.P. Singh, G.M.(Admin), A.T.P., Anpara, Er. B.N. Srivastava, G.M., A.T.P., Anpara, Er. C.P. Mishra, G.M. D.T.P.S. Anpara, Chairman Nominee Er. D.K. Singh, Members of Local Managing Committee, Sh. A.K. Singh, Manager of the school, fellow Principals, Principal & Heads of different schools of this vicinity, worthy colleagues, persons of Press and Media, parents & guardians and my dear students.....

A warm welcome to everyone arrived here today. I feel great pleasure presenting the Annual Report of this school documenting its developments and achievements. The school which began as an institution with just 40 students has recorded exponential growth and new full fledged Co-educational institution. This school believes in imparting quality education to students belonging all sections of the society. Since its inception the school had been facing the acute shortage of proper Assembly ground where all the students could be accommodated in the morning assembly. Our need was greatly felt by the Uttar Pradesh Rajya Vidyut Utpadan Nigam Ltd. officials who consented for the merger of the road between the school and hospital. On behalf of school management, I would like to extend my gratitude to all the Uttar Pradesh Rajya Vidyut Utpadan Nigam Ltd. officials, officials of different Unions and parents for their benevolent co-operation. I also would like to thank Er. R.S. Rajeev, L.M.C. Chairman Nominee Er. D.K. Singh and other L.M.C. members for their constant efforts for this mammoth task.

We all know how helpful it is to remember something that is taught visually to the students rather than the one that is read through pages after pages. Keeping in view of importance of modern technology in education we installed Smart Classes in all the classrooms and all the K.G. classes have been equipped with A.C.s and Classes I to VII have been provided with Air Cooled facilities.

There is a great saying: " Real education fetches you more than a job. It teaches one to live. It cannot be measured in any tangible way". We are happy to share the gladness that the school has carved a niche for itself in educational sphere in this vicinity. Our students of std. XII & X who appeared AISSCE & AISSE 2017 passed with flying colours. We achieved 100% results in both classes. Vivek Kumar Singh got first position with 95.4%, Rahul Patel secured second position with 94.8% and Kshitija stood third with 93%.

So far as Commerce stream is concerned Vanshika Srivastava got first position with 92.8%, Tripti Goyal secured second position with 91.6% and Surabhi Mittal stood third with 86.6%. On the basis of the analysis of DAV College Managing Committee, New Delhi our school has figured itself in very good category.

Two students Master Rahul Tiwari and Master Vinay Srivastava qualified U.P. Talent search Examination. They will get the scholarship of Rs. 2000/- per month for two years. Our students sparkled in IIT-2017. Twentynine students out of 48 students succeeded in cracking IIT (Main). Out of these 6 students were selected in IIT (Advance). Three students reserved their seats in different NITS.

I feel proud to say that two Alumni of our school Master Ankit Saroj & Master Rohit Singh got good position in India's elite Civil Services Examination i.e. IAS. One of the Alumni Master Chitrarth Chandra cracked IES with amazing rank. I take this opportunity to congratulate their parents on the distinguished achievements of their wards.

Our student proved their talents and brought Laurels for the school in different sports events. On this auspicious occasion I wish to mention just a few coveted awards.

1. The school Volleyball Team (Girls) secured first position in DAV National Sports 2017 cluster level Tournament held at DAV Public School, Kumar Ganj, Faizabad.
2. The school Volleyball Team, Cricket Team and Kho-Kho Team bagged Runner up Trophy in boys group at Cluster level in DAV National Sports 2017 held at DAV Public School, Tanda.
3. Table Tennis (Boys & Girls group) won the winner Trophy at Cluster level in DAV National Sports 2017 held at DAV Public School, Unchahar.
4. Khushi Jain has qualified for C.B.S.E. National in Table Tennis Tournament-2017

We have Inter-house competitions in which our students in large, participate very actively and scope for all round development to manifest the talent of the children in different fields. We have tried our level best to excel in every field by squeezing every resource that we have. However, we have acute shortage of classrooms to accommodate the existing students. Besides this there is a lot of pressure for new admissions. I do hope that A.T.P. management will realize the necessity of the construction of some classrooms for the greater interest of students.

Staying updated is the key to success in any field especially in the field of education. Our teachers constantly strive to stay updated by attending workshops & various Training programmes organised by DAV Centre for Academic Excellence. All these achievements were possible because of the commitment of all concerned, the Management, Teaching & non-teaching staff, Parents & Students.

I am particularly indebted to Dr. H.K. Mohanty, Regional Director, DAV Public Schools, UP Zone-B for his dynamic guidance. I wish to express my heartfelt gratitude to Er. D.K. Singh, Chairman nominee and other L.M.C. members who spent a considerable part of their prime time on the campus for the efficient running of the school on a day to day basis.

Before concluding the report, I bow my head in reverence to the Almighty for the blessings, He has bestowed upon this institution. May I take this opportunity to express my deepest gratitude to students, parent's benefactors, media persons and well-wishers for their whole-hearted co-operation.

Our endeavor is to strive for the best and ultimate aim is to attain perfection which is a long cherished desired of man.

I am sure that in the years to come the school will rise to further new heights.

Thank you, Jai Hind.
