**SUMMER VACATION ASSIGNMENT**  
**SESSION-2026-27**

**Class- L.KG**

## Dear Parents

Finally, the much awaited Summer Holidays are here. It is a good opportunity to spend quality time with your children. Let's make these holidays fruitful by involving the tiny tots in some fun filled activities.

### Learning Time:

Learn to wish Good Morning, Good Afternoon and Good Night.

- Learn 5 sentences on Myself
- Learn Mother's and Father's Mobile Number.

**\*Play Outdoor Games:** Ensure that children should not spend too much time on electronic gadgets as they harm the eyes and make us lethargic. So encourage your child to go for cycling, hide and seek & running etc. as these will make them active & social.

**\*Converse in English:** To develop the conversation skills of children in English ensure to converse small sentences in English only. Read out story books with big illustrations and after finishing the story discuss it with your child. **\*Emphasize more on phonic sounds and encourage Word Building words and Picture Talk.**

Teachers are trying to encourage the children to use simple words, phrases and sentences like:

- May I come in Ma'am?
- May I drink water?
- May I go to washroom?
- I am feeling thirsty
- I am feeling hungry
- Please give me a pencil
- Please give me an eraser etc.

Use of magic words like Excuse me, Sorry, Thank you, Please, May I.
